I am Jack McGuire
I am the son of Leonard McGuire, the owner of this manston!
I would like to see my father
I have never heard about him having a son.
You can contact them and double check.
I'm sorry but I can't let you in.
Lady Ellen has ordered me to turn you away
Let me see my father!

Skola Manduva Scans
Sir Leonard still hasn't returned home.
When will he be back!?
The helicopter always arrives around 7
That's in 3 hours.. You can't just wait around for that
I'm sorry but I think you should just go home
Damn
I will be back
I have already told you that I'm staying at that cottage over there

What are you going to do now, Jack?
The last time I saw my father was when my mother passed away... He was a crafty man who could lie to his family with a calm face
I won't lend you any money.
You should succeed with your own power like I did.
Are you giving me a chance, Father?
I believed those words and worked half to death as a manager of a big transportation company.
But in the end, I was only mistreated
You will be my pride
If you can accomplish it, if you have that will power,

And I saw something interesting on his desk.

Shojo Manga Scans

The title deeds to the Yarramalong property?
No...
And I thought "Well he's probably selling the property."
When I asked, the lawyer panicked.
Why would those documents need attention?
Handling business like a secret so he can deliver maximum shock. Yet here you are idling in your fantasy world
Jack does what he does best.
He's going to sell the property!
My instincts aren't wrong

Shojo Manhwa at Scans

There's still time for you to get pregnant.
That's why you should have listened to me in the first place.
What a good feeling
あはは
The feeling of being a winner!
That's...
To be told in such a way
Won't you keep me company?

Shojo Manga Scans
It was all a lie
The love I thought we had.

Shoko Manduna Scans
I've made you wait
I.
Am I your call girl?
Jack...
That sounds about right.
I wait for you to come,
And I desperately wish to hear your voice
What is this all of a sudden?!
I never thought of you like that, not once!
Don't tell me Lady Ellen said something to you?!

I was just about to go and give my greetings
Well well.
おお
I am Jack Maguire, Lady Ellen's stepson.
Allow me to introduce myself
ドキ
ドキ
Was discussing with her daughter the property I own, which she currently resides in
Our gracious Lady Ellen here
I'm sorry for worrying you.
It was meant to be a surprise for Christmas
But I am currently in the process of transferring the property to Sally's name

Shojo Manga Scans
That's right.
Under
My name ?
You will be the new owner.
Me ... !
This is his parting gift.
Don't tell me...
Listen well, Lady Ellen.
Meeting Sally made me feel things I didn't know I could. It makes up for everything I missed while being an outcast.

Shojo Manga Scans

I want to thank you for adopting her.
And I also want to spend the rest of my life with her.
Shar...
The rest of our lives...
After that I would like her...
おお
Congratulations!
She made it onto the team.
In the meantime, Sally is preparing for the World Cup.

Please give us your blessing as well!
I hope you'll come down and visit us in New Zealand sometime. What do you think Ellen?
ゴォーオォ
GAME OVER!!

Shojo Manekina Scans
I've kept it a secret
I didn't want to throw you off with the competiton but
Are you really going to give me the property?
Of course, my dear girl.
I love you, Sally.

Shojo Manga Scans
Sally...
You are the dreams I gave up on long ago.
My head is going crazy thanks to that.
When you're not by my side, I look forward to when you will be
Just your smile makes me so happy
Nothing else matters when I'm with you.

Shojo Manga Scans
Ooh, Jack!!

Shoujo Manga Scene
ゆぁあっ
Let's go buy an engagement ring
One so gorgeous even Lady Ellen won't be able to overlook it.
Look!
Your horse is in the lead.
Forget the horse.
Right now, you're the only one I see.

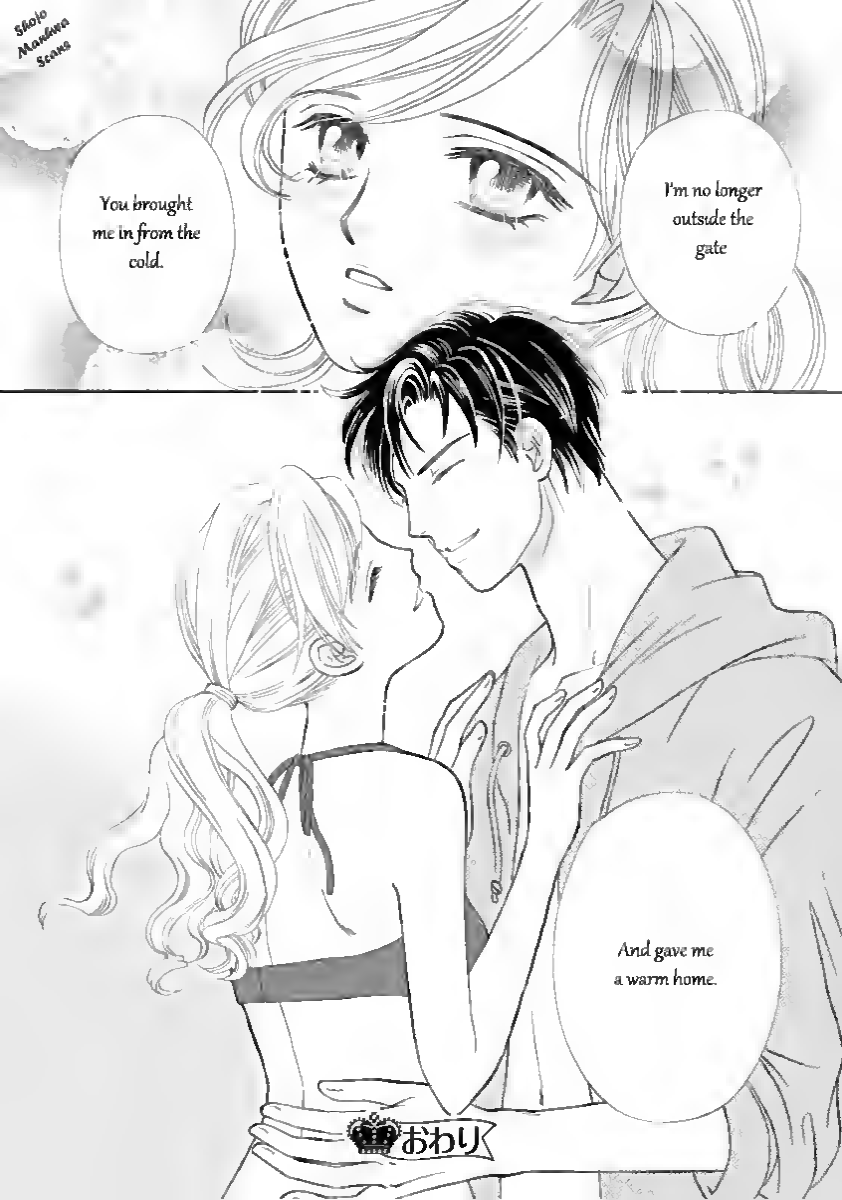
CHRISTMAS

Shojo Manga Scans

This will keep you warm
The next World Cup is in England, it'll be cold.
This is Sally's Midnight Magic.
I knitted a sweater for Jack.
So when Sally gets pregnant, leave everything to me!
I'll be getting my midwifery certificate next year.
Sally,
Do you know what you have given me?
That's right.
Our baby, Jack!
Our children will always have a home of our love.



Shojo Manga Scans
You brought me in from the cold.
I'm no longer outside the gate
And gave me a warm home.
